Please refer to the City Zoning Ordinance, Chapter 17.28, titled "Walls, Fences and Hedges" for questions regarding fencing plans and construction. Fences and walls being constructed within the Santa Clara Historic Overlay District must also comply with the Historic Preservation Development Standards. All projects within the Historic District Overlay Zone are subject to design review.

I understand the requirements for fencing in Santa Clara City and will construct my fence within the requirements of the City Ordinances and the fencing plan noted above. I also understand that the approval of plans and specifications does not permit the violation of and City Ordinance or State Laws.

The City shall retain the right to remove any fence on the public right-of-way for any purpose it deems necessary. Removal shall be at the sole expense of the property owner. Maintenance of the area between the sidewalk and the property line shall be the responsibility of the property owner.
