Herb Basso: Met with Jane Juber, Kathleen & Matt Brower. Proposing idea for high end art show to go along with the ribbon cutting. Art Show would be after ribbon cutting and go for two days. It would make this a cultural and economic event.

It could be a successful part for our economics to grow.

They would like us to match their advertising fee.

We don't have any extra money, we would just do the best with what we've got in advertising.

They would like to have the Art Show two or three times a year and would donate a percentage of the proceeds to the city.
